COCKTAILS

SAZERAC | 50 (New Orleans c.1870)

The Wolves with Willett rye Project Vol. One, Sazerac de Forge & Fils, sugar, Peychauds bitters, Herbsaint liqueur, and Lemon oils

The Wolves with Willett rye is a blend of hand selected 6 and 7 year old barrels of Willett straight rye whiskey and rye whiskey distilled in Indiana, aged in new American oak for 6 years, then transplanted to Sonoma County for addition aging.

Sazerac de Forge & Fils cognac blend includes cognacs made from a number of old and rare native grape varieties which gives the unique opportunity for one to enjoy cognac as it was 150 years ago, prior to the phylloxera epidemic.

Herbsaint liqueur is still made with Marion Legendre's original 1930's recipe and the liqueur's unique anise flavor is a key ingredient in the official Sazerac cocktail recipe.

DURANGO OLD FASHIONED | 45

Clase Azul Reposado, Clase Azul Mezcal, Sheer raw blue weber agave syrup, and Bittermen Mole bitters served over a large ice cube garnished with orange peel, torched cinnamon stick, and cherry

Clase Azul Reposado Tequila - Ultra-premium tequila made from weber blue agave that is slow cooked in traditional stone ovens for a minimum of 72 hours. After the agave is fermented and distilled, it is aged for 8 months in hand-selected oak barrels.

Clase Azul Mezcal - Made in the state of Durango with 100% wild agave Cenizo, which is milled by hand, rather than using a donkey and tahona. This process is why it's a more expensive Mezcal. Age of agave: 12-15yr.

BOBBY BURNS | 30

(Robert Burns is a great author from Scotland c. 1902)

Glenrothes Makers Cut Scotch, Dolin Rouge Vermouth, Benedictine, Lemon swath

Glenrothes Makers Cut- Matured only in first fill sherry seasoned oak cask, bottles at natural colour at strength selected by our Master Whisky Maker. Creamy vanilla, orange peel, and nutmeg characters.

Dolin Rouge Vermouth de Chambéry- c. 1821 - Has long been the benchmark for fine French Vermouth.

Benedictine - An French herbal liqueur developed by Alexandre Le Grand in 1863 .

What is orange wine?

A wine made with white grapes macerated with their skins. Orange wine is simply white wine made like a red wine. On the palate, they're big, dry, and have tannin like a red wine with a sour cidery quality.

Italian Whites

|2018 PASSOPISCIARO "PASSOBIANCO" CHARDONNAY| \$100

On the slopes of Sicily's active volcano Mt. Etna 1000ft above sea level, lay the vineyards of Andrea Franchetti. Instead of the indigenous Carricante that one generally expects from Etna Bianco this wine is crafted with 100% Chardonnay. The wine was inspired by the great wines of Burgundy. The grapes are meticulously harvested, resulting in a wine that is mineral driven, bright, fresh and layered.

GAJA

THE GAJA FAMILY REPRESENTS FIVE GENERATIONS OF TOTAL DEDICATION TO UNCOMPROMISING QUALITY AND IS WITHOUT A DOUBT ONE OF THE BEST PRODUCERS OF FINE WINE IN THE WORLD. AMBITIOUS WINEMAKER AND OWNER ANGELO GAJA IS THE GUIDING FORCE WITH HIS EXPERIMENTAL WINEMAKING TECHNIQUES AND ENTREPRENEURIAL HEART. FROM GAJA'S FATEFUL DECISION IN 1961 TO PRODUCE WINES EXCLUSIVELY FROM ESTATE-OWNED VINEYARDS TO THEIR ICONIC SINGLE VINEYARD BARBARESCO, GAJA HAS SINCE GROWN TO INCLUDE THREE WORLD CLASS WINEMAKING PROPERTIES IN PIEDMONT AND TUSCANY.

GAJA WINERY – PIEDMONT

The winery facility, known simply as Gaja Winery, was founded by Gionvanni Gaja in 1859. Today, winemaker Guido Rivella works closely with Angelo Gaja with the aim to respect tradition while exercising bold innovation.

Gaja's wines are crafted solely from estate fruit, sourced from their 250 acres across Barbaresco and Barolo. The unique barrel regimen first used by the Gaja winery creates a wine that is immensely deep, rich and complex.

90011	Gaja "Sito Moresco" 2017	280

PIEVE SANTA RESTITUTA – MONTALCINO

The first Tuscan estate was brought into the Gaja family in 1994. Pieve Santa Restituta in Montalcino consists of 40 acres and produces three Brunello di Montalcino wines. The property takes its name from the medieval parish church, or pieve, that resides on the property of which the Gaja family has worked tirelessly to restore the church to its former beauty. The unique history of the estate is featured on the label of these beautiful sangiovese wines.

EMIDIO PEPE
MONTEPULCIANO D'ABRUZZO

Emidio Pepe is stubbornly obsessed with quality. The biodynamically farmed montepulciano grapes are hand-picked, hand-destemmed, and then crushed by foot. After a carefully watched fermentation and élevage, each and every bottle is filled by hand. There's no wine on Earth like these. The wines are in the conversation of worlds best.

2016 DOMAINE WEINBACH "CUVÉE COLETTE" DRY RIESLING \$82

Domaine Weinbach is named after the little stream which runs through the property and has been planted with vines since the 9th century, it was established as a winery in 1612 and has been owned by the same family since 1898. The grapes used in this bottling come from the lower parts of the grand cru Schlossberg vineyard. Part of the vineyard lies outside the official boundary, so the wine cannot be labeled "grand cru." This wine cries for seafood.

DOMAINE LEFLAIVE

The roots of the Leflaive family go back to 1717 when Claude Leflaive took up residence in Puligny-Montrachet, intent upon cultivating several acres of vineyards. The domaine, in its present form, was created by Joseph Leflaive between the years of 1910 and 1930.

Domaine Leflaive is one of the pioneers of biodynamic viticulture in Burgundy. After increasing trials at the beginning of the 1990s, conversion has been total since 1996.

In the cellars, the same philosophy of respect presides over the entire vinification process and follows the purest Burgundian tradition: long and natural fermentations in oak barrels in the first year and in stainless steel the second winter. Fermentations are solely from indigenous yeasts.

DOMAINE DE LA ROMANÉE-CONTI

The first owner of Domaine de La Romanee-conti was the Abbey of Saint Vivant in Vosne, in 1232. The monks owned 1.8 hectares of vineyards and understood this was - and still is - an exceptional terroir. It's in this vineyard where the vines of the famous wine La Romanée-Conti grow today. Since 1869 the domaine of 25 hectares with seven vineyards - all Grand Crus - has been co-owned by the Villain and Leroy-Roche families. Many Burgundians reverently refer to Domaine de la Romanée-Conti as simply "The Domaine". Domaine de la Romanée-Conti produces some of the world's most revered wines from its tiny vineyards in Vosne-Romanée. Two of the domaine's seven grand cru vineyards — La Romanée-Conti and La Tâche —are two of Burgundy's greatest vineyards.

THE BORDEAUX CLASSIFICATION OF 1855

Emperor Louis-Napoléon Bonaparte III insisted on a wine classification system for France's premier Bordeaux wines, so the most influential brokers and industry figures devised a system to grade the very best wines from the region. The ranking was based on the chateau's reputation and trading price. This ranking system for classifying Bordeaux wines is still the benchmark to this day, and is known as the Bordeaux Wine Official Classification of 1855.

PREMIERS CRUS (FIRST GROWTHS)

2000 CHÂTEAU FIGEAC \$625

The wines of Chateau Figeac are an anomaly in Bordeaux as the winery is located in Saint-Emilion, which is traditionally the land of merlot in France. However, the terroir of Chateau Figeac's vineyards are actually nothing like the rest of Saint-Emilion and resemble the gravel plains of Bordeaux's Medoc region, France's cabernet country. This wine is easily one of the most powerful and structured cabernets produced and is guaranteed to make you fall in love with the wines of Bordeaux.

2015 MACÀN - \$210

The joint vision of two very famous names in the wine world, Rothschild and Vega Sicilia Vega Sicilia and Benjamin de Rothschild began the Macan project 10 years ago in the village of San Vicente in the Rioja Alta. They aim to produce two wines each year Macan and Macan Classico as a "second wine" as they do in Bordeaux.

Only the very best grapes are selected from the vineyards that lie near the foothills of of Sierra Cantabria. This cooler area produces small berries with fresh acidity, bringing structure to offset the power of the fruit.

Unlike traditional Rioja, the wine is aged in fine grain French Oak for 16-18 months and then in bottle for 3 years before release. The result is a dense yet elegant wine packed with cassis and blackberry aromas, with well defined minerality and refreshing acidity.

2018 LIQUID FARM " WHITE HILL" \$121

Chablisesque? Absolutely. This lean & mean Sta. Rita hills Chardonnay is aged 11 months in 88% neutral French Oak and 12% stainless steel resulting in bright and fresh example of Chardonnay. This wine is mineral driven with notes of green apple, pear and jasmine. This is the perfect pairing for oysters, crab legs or mozzarella di bufala.

2009 RIDGE VINEYARDS "MONTE BELLO" \$550

In 1886, high in the Santa Cruz Mountains, the initial plantings of the Monte Bello estate vineyard were set out, and winery construction begun. A first vintage from the young vines followed in 1892. During Prohibition (1920-1933), the vineyard was not fully maintained; some vines survived into the late 30's, but by the 1940s they were effectively abandoned. Eight acres of cabernet sauvignon were replanted in 1949 and these were the source of the first Ridge Monte Bello (1962). Since then, this historic vineyard has produced some of the most blockbuster Bordeaux blends in the world. Ridge "Montebello" is always packed with a core of dense black fruit while being coupled with lively acidity to assure the wine is delicious at every stage of its long life. This will give the best Bordeaux a serious run for it's money.

ZIATA "METEOR VINEYARD" COOMBSVILLE, NAPA VALLEY 2015 \$261

Karen Cakebread began marketing Cakebread Cellars in 1988, as the Director of Hospitality, education and international marketing initiatives. In 2008 she began her own winery Ziata, named after her mother Mary Anunziata.

Winemaker Jennifer Williams began her work with Ziata in 2015, she had previously worked at the famed Araujo Estate and Spotteswoode Winery. There she worked under David Abreu and was named "winemaker to watch in 2007"

The wine is firmly structured, extremely concentrated and complex. It is fruit driven with spicy undertones, notes of chocolate with a persistent finish.

REALM "THE TEMPEST" 2017, MERLOT \$253

"What Merlot can be when the stars align"

This was the first wine Realm Cellars produced when it began in 2002. Inspired by the great wines of Pomerol Bordeaux, this Merlot dominant blend is made with fruit sourced from Beckstoffer Orchard and Dr. Crain, and Blair Vineyard in Calistoga.

It is an intense dark purple, with aromas and flavors of plums blackberry jam, blueberry, chocolate and toasted oak, with smooth silky tannins.

"This blessed plot, this earth, this REALM"
Supply is limited and 100pt scores are abundant
